A The first winners of the Olympic Games got free food and housing for the whole lives. They were mentioned in poems and well-known all over Greece. Sculptors even built statues of the competitors. Everyone respected and admired the winners. In short, the victory in the competitions made the man a national hero and all the little children wanted to be like him.

B Olympia was chosen as the place for the Games because it was a peaceful and neutral area. There the ancient Greeks praised their most important God – Zeus. Another factor was that it had a beautiful green valley. It was very suitable for all kinds of sports competitions. Also people could easily get to Olympia because there were two rivers nearby. It was impossible to find a better place anywhere else in Greece.

C The Olympiads were named in honor of the runner who came first in the stadium race. For example, the Olympiad of Dionis. So, the years after this Olympiad were named as the first, the second, the third or the fourth year since the Olympiad of Dionis. The early historians used this system to give dates to important events.

D The Olympic Museum was founded in 1993 in Switzerland. It has a big collection of pieces connected with the Olympic movement. It also has the largest number of books and documents about the Games in the world. No wonder, the place is one of the main tourist attractions. The museum is surrounded by a park with wonderful works of art based on a sporting theme.

E The modern Olympics began in 1894. Baron Pierre de Coubertin, a Frenchman, decided to bring back the ancient Greek tradition. He wanted to begin a sports festival to celebrate health, youth and peace. The first modern Olympiad took place in Athens in 1896. Since then the Olympic Games have been held every four years with two exceptions because of the two world wars.

F The Olympic Games traditionally start with the “Parade of the Nations”. Most of the participating athletes walk out into the stadium. The Greek athletes open the parade and the hosts appear on stadium the last. The name of each country is announced in French and English, the official languages of the Olympic Games, and the language spoken in the country that organizes the Games.

G The five Olympic rings represent the five main regions of the world – Africa, the Americas, Asia, Europe and Oceania. Every national flag in the world includes one of the five colours, which are blue, yellow, black, green, and red. The rings are connected and there is a reason for it. It’s done to show that the Games are for all nations. All good sportsmen can come and compete against one another in unity.
